Sew Nice News

We are now carrying “Jelly Rolls” from Moda - these are rolls of 40 - 2½” strips that have been laser cut and color coordinated. We also have several patterns that have been designed using these strips.

The Sew Nice family of quilters contributed 41 blocks that were made into a quilt and sent to Better Homes and Gardens to be raffled off on the internet to raise money for breast cancer. The quilt is pictured here. Hopefully it will help raise a bunch of money. A big THANKS to all who helped.

Our January clearance sale was a big success - we now have lots of room for the new fabrics that are arriving daily. Many new lines are here - “Willowberry Winter” from Maywood Studio, “Gentle Flower” from Robert Kaufman, “Northwood Flannel” from Moda, “Heirloom Lilacs” from RJR, “Serenity” from Cara Collection, “Fuchia” from Maywood Studio, “Fresh as a Daisy” from Henry Glass, AND at least 20 new Batiks every month. Don’t miss out as these fabrics will sell out quickly. Many more lines are due in any day so stop in often to check out the new arrivals.
