Sewing Room Organization Basic Training

Wednesday, June 29th
10:30-12:30 or 6:00-8:00
Cost: \$10
Taught by: Personal Organizer Maria Spetalnik

Why are my good scissors in the refrigerator?
How do my pins disappear so often?
I just bought a bunch of fabric....where did it go?
I can't find all those pieces I cut out last week,
So now I have to cut them again!!
Where is that pattern??? I just saw it yesterday!

Does any of this sound familiar? This is the way that many quilters live. If you would like to make changes to your own sewing areas, come to Maria's class.

Maria Spetalnik of Conquer the Clutter will be here to help solve these and other organizational problems. She is a professional organizer and a quilter too. She has years of experience and has encountered just about every problem you might have. She'll talk about stash and scrap management, tool and thread wrangling, Works in Progress and more. You will leave with ideas to make your sewing areas organized and much easier to work in. Just think how much more enjoyment you'll get spending your time sewing – rather than hunting for your materials. Come prepared with questions and feel free to bring photos of anything you would like suggestions on how to improve. For all quilters and crafters.

Sew Nice Birthday Party - Saturday, June 4th - come vote on challenge fabric projects - have some cake - check out our new look - **and - save 20% off all fabric.**

New York Beauty Table Runner

Thursday, June 9th 10:30-2:30

or

Thursday, June 9th 5:00-9:00

Taught by: Diane Marvin

Cost: \$20.00 + foundation fabric

Have you always been taken by New York Beauty quilts but were afraid to try one. This table runner is done by using foundation piecing - a lot like paper piecing but you use fabric as the sewing guide and it stays as part of the quilt. This is a fun way to try your hand at the process as well as making blocks that will dazzle your dinner guests. For the comfortable beginner and beyond.

Begin Quilting

Tuesdays

June 7th, 14th, 21st, 28th 2:00 - 6:00

This Lucky Stars pattern will be your first quilt. Learn how to quilt and start having more fun than you can imagine. This quilt can be made any size from crib to king (although we suggest starting with the throw size) by using fat quarters. The color combinations are endless and we will be glad to help you select your fabrics.
