Paula's Reversible Star Wall Hanging

Thursday, Sept. 8th and 22nd 10:30-2:30 or 5:00-9:00

Taught by: Paula Taylor

Cost: \$40.00

Paula has refined the reversible quilt method and will be teaching you her method of quilting as you go and making a two sided quilt at the same time. How incredible is that? In this class you will be making a wall hanging to learn the method. Once you have learned the method you will be able to make larger quilts using the same technique. Paula is new to our area and we would like to welcome her to our teaching staff. We hope that our customers will take this opportunity to not only learn from someone new but to also show Paula how much fun it is to have classes at Sew Nice. For the beginner and beyond.

Honeycomb Waffle

September 29th 10:30-2:30 or 5:00-9:00

Taught by: Diane Marvin

Cost: \$20.00 + Book + Ruler

Up or down, no matter which way you look at it, this quilt has 3-d images popping out everywhere. Fortunately, you don't have to go cross-eyed to stitch this quilt; it is so easy. The honeycomb pattern is created using contrasting values of color. Light appears to splash across the top surfaces giving dimension to the "walls". So select your colors and when you follow the easy strip-piecing instruction you will have this project done in no time. For the beginner and beyond.

*special note - This pattern is in the book ABC 3-D. This class is the second class taught at Sew Nice using this book. If you don't already have the book and ruler they will be available at Sew Nice.

Cotton Club Block of the Month from Marcus Fabrics

September 28th 10:30-2:30 or 5:00-9:00

Starting September 28th

Taught by: Diane Marvin

Cost: \$24.95/month + \$25.00 deposit (to be returned when you have purchased all 12 monthly packets)

Sign up now to join us for this reproduction fabric Block of the Month starting in September. Blue Quilts have designed a gorgeous sampler style BOM quilt. The collection was created around an antique border print from the mid 1800's, along with antique coordinates in varying shades of red and brown commonly used in the 1800s. For the quilt's 45 blocks, Barnes selected small, closely spaced motifs, noting that their scale would lend themselves to the 5-inch size, while shirtings were added to provide lights. The decorative border stripe is cleverly pieced in

some of the blocks. The quilt measures 75" by 85". The designers borrowed common elements from original quilts of the period by employing a strip-set design, then went a step further by varying the width of the vertical pieced columns for added visual interest. Blocks are created during Months 1 through 11, and carefully grouped by technique or similarity in style. The quilt is then completed during Month 12. The program begins September 2011 and runs 12 months. We will have space for 15 people to create this wonderful red and brown twin size quilt. For the comfortable beginner and beyond.

Calling all Lucky Stars quilt makers.

The Lucky Stars pattern is the pattern that we have been using for our Begin Quilting classes for some time. If you have completed one (or more) of these quilts we would like you to put the quilt(s) in a special quilt display in Columbus for their Columbus Day celebration on Saturday, October 8th. These quilts will be the only quilts on display and would make a really unique display of how one pattern can look so different by using different fabrics. Susan Lafever will be setting up the display and "guarding" your quilts during the celebration. Please deliver your quilt(s) to Sew Nice by 6:00pm on Thursday, October 6th. Please make sure that you have a label on the back of the quilt with your name, address and phone number - this could be a paper or fabric label.

Machine Quilting

Saturdays Sept. 17th, 24th, and Oct. 1st 3:00-6:00

Taught by: Professional Quilter Gretchen Adams

Cost: \$45

These classes are designed to take you from beginner to confident machine quilter. Gretchen will guide you through the process of machine quilting and you will soon be creating in a way you never thought possible. A good working relationship with your sewing machine is necessary. Please make sure your machine is in good working order and has the proper needles, bobbins, a walking foot and a free motion foot for this class. For the beginner and beyond. **This will be the last machine quilting class until Spring.**

Twisted Table Runner

Tuesday, Sept. 20th 12:00-4:00 or 5:00-9:00

Taught by: Donna Hanley

Cost: \$20.00 + Booklet + Tool

You will be using the Lil' Twister tool to make pinwheels and once you start you won't want to stop. Donna will teach you the technique and you will make a table runner. Donna will also show you how to make matching placemats and napkins. For the beginner and beyond.

Pajama Party Sale!

Saturday, September, 10th

Arrive between 8:00am and 9:00am in your Pajamas and you will get 35% off all fabric and kits.

Arrive between 9:00am and 10:00am in your Pajamas and you will get 30% off all fabric and kits.
